FingerWeaving Instructions

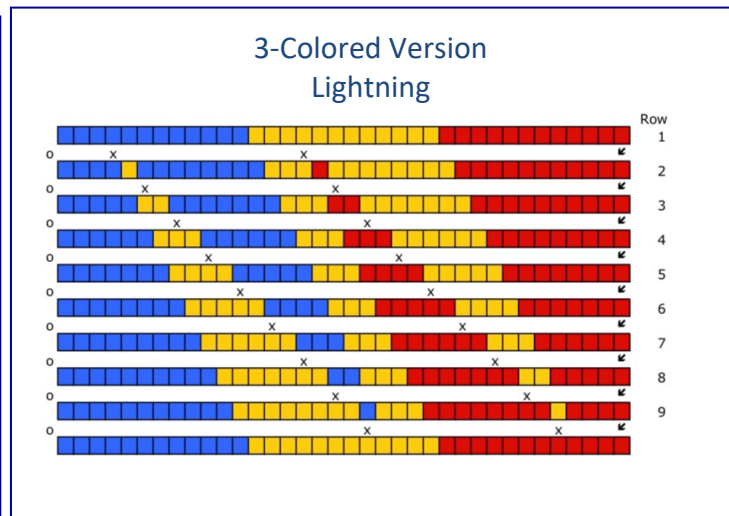

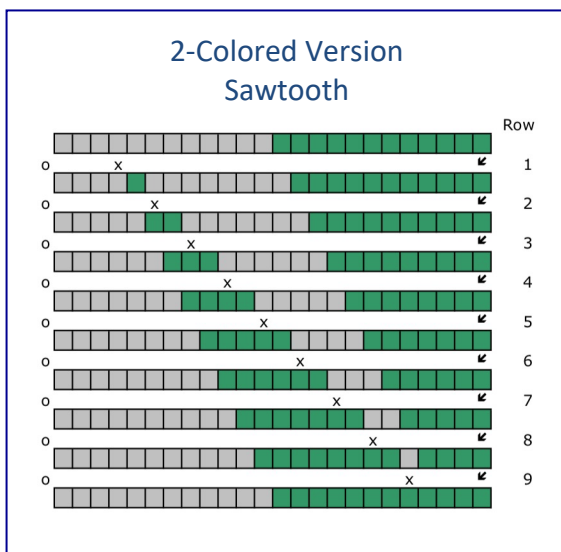

Sawtooth

Version 1: Set up 24 threads: 12 of color A, and 12 of color B

Row 1: Select the rightmost thread as weft. It will move over 20 spaces: 11 green and 9 grey (the thread 'displaces' by 20, but 'adventures' 9 threads into the grey zone). After the switch, that grey thread moves across 3 threads, and returns to weft in the 4th place ... displaces 4.

Row 1: Displace 20, 4 Adventure 6	Row 7: Displace 8, 16 Adventure 3
Row 2: Displace 18, 8 Adventure 5	Row 8: Displace 6, 18 Adventure 2
Row 3: Displace 16, 8 Adventure 4	Row 9: Displace 4, 20 Adventure disappears
